Frequently Asked Questions

> **Is this spray gun holder compatible with all spray guns?**

Yes, the Colad Spray Gun Holder Single is designed to fit most standard spray guns, providing a secure and easy-to-access storage solution.

> **Can I mount this holder on a wall or workbench without the Colad Grid System?**

Yes, the holder is designed for flexible mounting and can be attached to both walls and workbenches. However, it is optimized for easy integration with the Colad Grid System.

> **What material is the holder made of?**

The holder is made from high-quality metal with a durable powder-coated finish, ensuring long-lasting performance and resistance to wear and tear.

> **How does this version differ from the standard Colad Spray Gun Holder?**

This version is specifically designed to be compatible with the Colad Grid System, allowing for a more modular and organized workspace setup.
